

Lincoln Academy Charter School

Office of the Principal

November 2009 Report to the Board

- Building projects
 - The skyroof should be installed by our board meeting
 - Landscaping along Pierce has dramatically improved the look of our school
- Hot Lunch
 - Things are smoother overall
 - Lee Ann and I will be working with Rev Foods to come up with an acceptable snow day policy
- Students
 - Artistic Skills
 - Art and Music continue to offer fantastic projects, activities and opportunities to enhance what is happening in the classroom. The content in our specials classes truly adds to the academic rigor of our school.
 - Health
 - Sickness has declined over the past few weeks. We still see some sickness, but most classes have all but a few kids each day.
- Organizational Health
 - We came out with 461.5 students for our budget of 460 students
- Treatment of Parents:
 - I have met with many parents on a variety of issues. I believe that I have dealt with them respectfully and handled their issues.
 - We will have a fall new parent meeting on November 5. I will continue to make sure that new parents understand what Lincoln is offering to their children.
- Middle School Athletics
 - Our boys' soccer team took 2nd place and our girls' volleyball team took 4th place
 - Boys' basketball is up and running. The day of our meeting will be their 4th game
 - One of the basketball coaches is helping us purchase a scoreboard
 - Girls' basketball will begin in January
