

LINCOLN ACADEMY PRE-K

Pre K is foundational for developing school readiness that is essential to the success of young students. Pre-K students are engaged in learning basic skills that are specifically designed to provide the solid foundation needed for learning in Kindergarten and beyond.

ADDITIONAL ADVANTAGES

- Small class size and student to teacher ratio (8:1 ratio)
- On-going assessments; 3 formal assessments a year
- Child centered approach to learning
- Greater independence achieved by students/Self-help skills
- Linked to a great Charter School
