Getting
to know
Mr. Schoenhals

- Schoenhals is pronounced “Shane Halls”
- I live in Conifer. We have had many bears visit our house. My wife Carrie loves the bears. I am scared of them.
- I am a Big Colorado sports fan. Especially the Broncos, Nuggets, Avalanche, and Rockies.
- I love playing basketball. I haven’t lost a game of HORSE to a student in the last ten years. Might a Lincoln student be able to beat me in a game? Probably not.

Dear Lincoln Academy Community,

With great pleasure, I write this letter to you as the incoming Executive Director of Lincoln Academy. It is truly an honor to serve the Lincoln community in this capacity. Through opportunities to meet with many staff members over the spring and summer and some students and community members, I can already tell that this is a unique and special place.

I come to you with over 30 years of experience as a Colorado K-12 educator. I believe that all students deserve great teachers who can meet both their affective and academic needs. My goal is to create a leadership that will set the staff up for success by providing them with the necessary supports. During my first year at Lincoln Academy, we will build a culture of trust, teamwork, and equity by promoting high expectations for staff, students, and myself. As I begin my work at Lincoln, I believe it is essential for me to gather data from the community to launch our work together. I am hoping that each family will take some time to complete the survey linked [HERE](#). We will utilize the data now and into the future as we work to be an amazing school for all our students. The type of school that our community wants for our students.

I look forward to meeting all of you throughout this next school year!

Sincerely,
David Schoenhals

#LAtogetheragain

Keep your eyes peeled for some more opportunities to join the Lincoln team!

Leadership Structure at Lincoln Academy

There may be some questions about the leadership structure at Lincoln Academy with addition of an executive director. Below is a visual break down of who the executive director will directly work with:

Mr. Schoenhals will work with our Board of Directors to lead Lincoln Academy.

Charter Funding at Risk

A new bill has been presented by congress that would eliminate ALL federal funding to charter schools. To read more and take action, click [HERE](#).

JEFFERSON
COUNTY COLORADO

Public Health

We know everyone is waiting for news of any updates to our current COVID-19 protocols. Right now, we are not making any changes or decisions as we want to be thoughtful and patient as things evolve in our county and state. With weeks until school starts, we will continue to keep you updated on any Jeffco Public Health orders that may impact our community.

School Supply
Lists are available

Coaches Needed!

Mr. Martin is looking for both a boys' and girls' soccer coach as well as a girls' volleyball coach for the upcoming school year. Additionally, we are looking for someone to help with cross country. Please reach out to Mr. Martin if you are interested or have any questions.
