Summer Heat

Decadables
Jean and Dean feel the heat.

It will be a hot two weeks.
"Yes! yell Jean and Dean.

"Time for the beach you two?" asks Mom.
They drive east to the beach.
Cars fill the streets.
Jean and Dean reach the beach. The two kids see and smell the sea.
Dean feels the sea breeze.
Jean sticks her two feet in the sea.
"Mom, the beach is neat," Jean calls.

"I agree," adds Dean.
